- Final Solution Refinement
- Mentor Support & Validation

10:00 AM

- Solution Submission Opens

12:00 PM

- Hackathon Ends
- Submission Portal Closes

12:00 PM – 1:30 PM

- Jury Evaluation & Judging

3:00 PM

- Winner Announcement
 - Award Distribution
-

3. Pre-Hackathon Preparations

A. Registrations & Participant Management

1. Registrations to be collected via **Google Form**
 2. Mandatory **Registration Desk** at venue to:
 - Verify participant details
 - Confirm team composition
 - Issue ID bands/cards (recommended)
 3. Obtain **final participation confirmation** from registered teams at least 48 hours prior to the event
-

B. Infrastructure & Resources

Mandatory Requirements

- **High-Speed, Uninterrupted Wi-Fi**
 - Must cover *all participant areas*
 - Backup internet recommended
- **Power Supply**
 - Minimum **2 plug points per team**
 - Extension boards encouraged
- **Drinking Water** (RO / dispensers)
- **Clean, accessible toilets** (24-hour access)

Food Arrangements

- Options:
 - Food coupons at nominal cost **OR**
 - Open food stall/vendor on campus
 - Recommended meals:
 - **Day 1:** Lunch, Tea, Dinner
 - **Day 2:** Breakfast, Lunch
-

C. Overnight Arrangements

- **Resting Area**
 - Common room with bean bags, mats, beds, or mattresses
 - Separate space preferred for safety and comfort
 - **Overnight Refreshments**
 - Kettle, coffee sachets, tea bags, sugar
 - Light snacks (optional but recommended)
-

D. Human Resources

- Arrange **volunteers based on number of teams**
 - Suggested volunteer roles:
 - Registration & helpdesk
 - Technical/wifi coordination
 - Mentor coordination
 - Overnight safety support
-

E. Judging Preparation

- **Judging Rubric:** To be designed and shared by UWR
 - Judges will be briefed in advance on:
 - Theme alignment
 - Evaluation parameters
 - Scoring methodology
-

4. During the Event – Operations Checklist

- Ensure:
 - Wi-Fi stability (continuous monitoring)
 - Power availability at all times
 - Clear mentor visit schedule
 - Helpdesk availability for participants
 - Maintain:
 - Cleanliness of venue
 - Safety & security, especially overnight
 - Announcements:
 - Regular time reminders
 - Submission deadlines
 - Any schedule updates
-

5. Submission Guidelines (High-Level)

Each team must submit:

1. **Problem Statement** (with SDG & Viksit Bharat pillar mapping)
2. **Solution Overview**
3. **Prototype / Model / Representation**

4. Pitch Deck or Demo Explanation

Submission mode:

- Digital (Google Drive / Form / Platform as finalized)

6. Post-Event: Judging & Awards

Award Distribution Plan (Recommended)

Instead of only ranking-based awards, it is recommended to recognize **impact dimensions** aligned with the hackathon's vision:

1. **Best Overall Social Impact Solution**
 - Strong SDG & Viksit Bharat alignment
2. **Best Innovation for Viksit Bharat 2047**
 - Youth / Women / Farmers / Inclusion-focused
3. **Best Technical Implementation / Feasibility**
 - Strong execution and practical viability

(Prize pool to be split accordingly as per host institution's decision.)

7. Certificates & Recognition

- Digital participation certificates for all participants
- Special recognition certificates for winners
- Certificates to be issued post-event as per agreed timeline

8. Safety, Compliance & Code of Conduct

- Overnight stay permissions must be officially approved
- Separate arrangements for restrooms and resting areas (if applicable)
- Zero tolerance for misconduct or unsafe behavior
- Emergency contact numbers to be displayed clearly

9. Post-Event Wrap-Up

- Collect participant feedback (recommended)
- Share event photos and highlights
- Publish winners list and solution summaries
- Coordinate with UWR for mentorship onboarding (for winners)

10. Final Note

This handbook is designed to ensure **clarity, consistency, and smooth execution** of IMPACTATHON. Strict adherence to these guidelines will help deliver a safe, engaging, and high-impact innovation experience aligned with global sustainability goals and India's vision for Viksit Bharat 2047.
